

## **Required Town of Knightdale Construction Sequence (Individual Lots)**

1. Obtain an NCG01 permit from NCDEQ. This requirement is in addition to the town of Knightdale land disturbance permit.
2. Schedule an Initial Pre-construction conference with the Town of Knightdale. Obtain a land-disturbance permit.
2. Install tree protection fence if required. Install gravel construction entrance, silt fence, silt fence outlets and additional measures as needed. Clear only as necessary to install devices. Provide ground cover for all disturbed areas.
3. Schedule "Initial Perimeter Control Inspection" in wake county permit portal to obtain a Certificate of Coverage for each lot.
4. Begin construction. Building, clearing, and grubbing. Maintain erosion control devices as needed.
5. Stabilize as site areas are brought up to finish grade with vegetation, paving, ditch linings, etc. Provide groundcover for denuded areas per NDPES ground stabilization timeframes.
6. When construction is complete and all areas are permanently stabilized and erosion control measures have been removed, schedule "Final site Stabilization" inspection in Wake County permit portal
7. Obtain Certificate of Completion
